

# Group Contract

## Group Responsibilities

The success of a group depends on the contributions and professionalism of each and all of its members. When you join a group, you are throwing your lot in with the group. The group will let each member share in the fruits of its labour and each member should pay the group back by contributing to the group effort.

The group contract lays out the responsibilities and expectations of the group members. It also lays out how responsibilities will be determined, how group members can contact one another, consequences when group members do not meet their responsibilities, giving credit for work done and not giving credit for work which was not done.

This is a template for a contract. You can alter the parts you feel need to be altered. The final contract does need to be approved by the instructor and then signed by all members of the group.
